The deal: Affiliates earn **5–20% commission** (set per partner) on every order placed with their code, and their audience gets a matching **5–20% discount**. Free to join, real-time tracking, fast payouts. All products are research-use-only.

1 · Commission & Product Sheet

Example earnings shown at a **15%** rate — commission is on the whole order, so real payouts are usually higher. ★ = best sellers to feature first.

2 · Featured Product Blurbs

Retatrutide — The next-generation, triple-pathway metabolic compound and one of the most talked-about research names today. Third-party verified at 99.9%+ purity. A flagship your audience will want first.

BPC-157 — The most-researched recovery peptide, period. U.S.-sourced, lab-verified, and a repeat-purchase staple.

TB-500 — The recovery classic, often paired with BPC-157. Clean, verified, and easy to explain.

Wolverine Stack — BPC-157 + TB-500 in one vial — the go-to recovery combo, no mixing.

Glow Blend — A five-peptide skin & recovery stack (GHK-Cu + BPC-157 + TB-500). Premium, pre-mixed, bestseller.

GHK-Cu — The copper peptide the skincare and longevity world loves. 99.8% verified.

Semax / Selank — Nootropic and calm-focus neuropeptides for the cognitive and biohacking crowd.

NAD+ — The cornerstone longevity molecule — always in demand with the anti-aging audience.

Keep all product language framed as research compounds.

3 · Campaign Brief

Who we're looking for

Authentic creators in fitness, wellness, longevity, biohacking, and research communities with an engaged audience that values quality and transparency.

What you'll promote

Premium, U.S.-based, third-party-verified research peptides — 99.5% avg purity, HPLC + mass-spec tested, cold-chain shipped.

The deal

A personal discount code — your audience saves 5–20%, you earn 5–20% commission on every order, tracked in real time. Free to join, fast payouts, product available for approved partners to create with.

Suggested deliverables (flexible)

1–2 pieces of content per month featuring your code, plus a few story mentions. Honest, on-brand, your voice.

Do

- Be authentic and disclose the partnership (#ad / #partner).
- Frame products as **research-use-only** compounds.
- Tag @novaflexusa and use your code.
- Lead with quality: U.S.-based, third-party tested, 99.5% purity.

Don't

- No medical, health, dosing, or human-use claims of any kind.
- No "cures / treats / results" language or before-and-afters.
- No unverified claims — stick to purity, testing, and value.

How to apply

Through Trybe, or at novaflexusa.com (Affiliate section). We review every application to make sure it's the right fit for the team.

COPY & PERSONALIZE THE BRACKETS

Hey [name] — really into your content on [niche]. I'm with **NovaFlex Peptides**, a fast-growing U.S.-based, third-party-verified peptide brand, and I think your audience would be a great fit. Partners get a personal code (your audience saves **5–20%**, you earn **5–20%** on every order), real-time tracking, and product to create with. We're selective about who joins, but I'd love to see if you're a fit — open to a quick chat? 🚀

5 • Recruiting Assets

- **Brand description** — short and long versions (in your notes).
- **Affiliate one-pager PDF** — attach it in outreach or on your Trybe profile.
- **Product pages** — each SKU has its own detail page with COAs at novaflexusa.com.
